THE ODDSON SHIELD

This shield was presented to the Icelandic Celebration Committee by Thorsteinn Oddson and Sons, in 1913, for annual competition among track and field clubs representing Icelandic communities in Manitoba. It was competed for annually until 1940. The Icelandic Celebration Committee now hopes to revive these club competitions. Most consistent winner was the Grettir Amateur Athletic Association of Lundar, which held the shield for 10 consecutive years, 1914-23, and won it fifteen times in all. The A.G.G. H.R., a club representing Arborg, Gimli, Geysir, Hnausa and Riverton, won the shield three times. No other club won it more than twice.

THE HANSON CUP

This trophy was donated to the Icelandic Celebration Committee in 1913 by Skuli Hanson, to replace the Clemens, Arnason, Palmason trophy, which had been won permanently by Einar Johnson, of Oak Point, a member of the Grettir Amateur Athletic Association. Contrary to its predecessor, the Hanson Cup was never intended to become the permanent possession of any individual athlete, regardless of how many times he might win it. This trophy will be held for one year by the grand aggregate winner of the Oddson competition. A miniature trophy will be given to the winner for permanent possession.
